703-764-9111

*\*\*This is a free event.*

## Our Journey of Hope can support your church with:

Have you ever asked the question how do I start a cancer ministry? Are you concerned about what it should look like in your church?

Churches are often willing to share the burdens of cancer patients, but may not know how to go about it or be aware of what patients need most.

The Our Journey of Hope Reach Empowerment Care Training will provide your ministry with the tools to implement a cancer ministry that is both patient centered and effective at meeting the very unique needs of cancer patients.
